Dear Parents,

2018

During your child’s time at the school they will be assisted in the bathroom by one of our teachers. We do not expect our Toddlers to be toilet trained, however our goal will be to teach them the skills needed to be successful in the bathroom. Please dress your child in easy to pull down pants and pull-ups. Overalls, tights etc. are difficult for a child to independently maneuver at this age. Please sign the attached form below and return it to the school by your child’s first day.
